Note

For 5 or more dwellings or if the floor area of a dwelling exceeds 300m² or flats over 3 storeys, the charge will be individually determined.

All the above charges are on the basis that any controlled electrical work is carried out by a person who is a member of a registered Competent Person scheme, if this is not the case an additional charge will apply based upon a basic inspection charge per dwelling of £197.00 including Vat (account will be given to repetitive work and a discount may be applied).

The amount of the plan charge is based on the number of dwellings contained in the application.

The inspection charge is based on the total units in the project.

Unless otherwise agreed, schemes exceeding one year in duration may be subject to an additional charge.

For larger building projects the Council may agree to fees being paid by instalments.

Please contact your local Pennine Lancashire Building Control office for further details.

Note

Where a **'Full Plans'** application is made, in most cases a plan charge is payable at the time of application and an invoice for the inspection charge will be sent following the first inspection on site.

For a **'Regularisation'** application (related to unauthorised work) fees are individually determined but will be subject to a minimum of 150% of the associated net charge(s).

No Vat is payable on a Regularisation Charge.

Charges in **Table E** are based upon an estimated cost, which means a reasonable estimate (excluding Vat) that would be charged for carrying out all the work, by a professional contractor.

No reductions are made for DIY proposals.

When it is intended to carry out **additional work** on a dwelling at the same time as any work in **Table B** then the charge for this additional work may be discounted by 50%, subject to a maximum estimated cost of £310,000.

When it is intended to carry out more than one extension to a dwelling, the areas of the extensions may be aggregated in determining a total internal floor area to which the fee may then be applied.

Please note however, the area of loft conversions or garage conversions may not be aggregated to an extension but a 50% discount can be applied.

For work that is an electrical installation only, such as rewiring, use **Table C**.

All other installation work should be included in the overall charges.

For a **"Reversion"** application fees are individually determined.

Please contact your local Pennine Lancashire Building Control Office for further details.

For applications that are due to **start on site immediately**, both Plan Fee and Inspection Fee are payable when submitting the application.

Please be advised that if you commence works prior to receiving Building Regulations approval, you do so at your own risk.

For current and active Local Authority Building Control Partnership customer fees will be individually determined.

Costs cannot be discounted across separate applications
