Dear Madam,

Re: Ful/2022/0149. Planning
application for erection of 200
houses.

We object to the proposed building
of 200 houses as referenced above
on the following grounds.

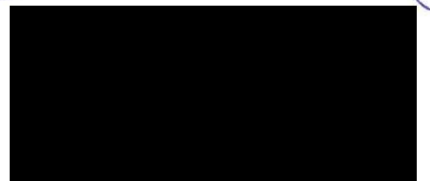

The land has always been subject
to flash flooding.

Local infrastructure would be
overwhelmed. The A646 is extremely
busy at peak times.

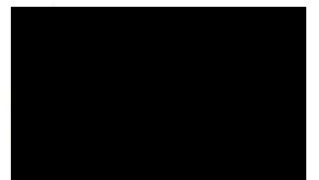

The A646 is not on a local bus route
so there is no access to public
transport.

The plan would impact heavily on the landscape and abundant local wild life.

yours faithfully,

Mrs. S. Allcock.

Mr. I. Allcock.
