Hi Elizabeth

Hope you are well.

I note that the consultation responses from Burnley Civic Trust, Parish Council and Cllr Gordon Birtwistle have now been uploaded on the Council's website.

Just to confirm the proposed temporary access is to serve the resident at Hollins Cross Farm only as requested by Highways under app FUL/2022/0149. No construction vehicles will use this access. I just wanted to clarify, as there seems to be some confusion.

Kind Regards
