Dear Local Plan team

Worsthorne with Hurstwood Neighbourhood Plan Reg 16 consultation

Thank you for consulting Historic England in relation to the above consultation. We are the Government's statutory adviser on all matters relating to the historic environment in England. We are a non-departmental public body established under the National Heritage Act 1983 and sponsored by the DCMS. We champion and protect England's historic places, providing expert advice to local planning authorities, developers, owners and communities to help ensure that our historic environment is properly understood, enjoyed and cared for.

We do not wish to make comments on this version of Worsthorne Neighbourhood Plan. To avoid any doubt, this does not reflect our obligation to provide further advice or potentially object to specific proposals which may subsequently arise as a result of the proposed neighbourhood plan, where we consider these would have an adverse effect on the historic environment.

Thank you once again for providing Historic England with the opportunity to comment. Please do keep us informed of any future progress on this plan.

Yours faithfully

Pippa Brown
Historic Places Adviser NW
