Homes England Response

As a prescribed body, we would firstly like to thank you for the opportunity to comment on the above consultation.

Homes England is the government's housing and regeneration agency. We will drive regeneration and housing delivery to create high-quality homes and thriving places. This will support greater social justice, the levelling up of communities across England and the creation of places people are proud to call home.

Homes England does not wish to make any representations on the above consultation. We will however continue to engage with you as appropriate.
