FAO. [REDACTED]

Environmental Health Officer,
Street Scene.

The Parish Council have received and considered this application for an Environmental Permit, made to Burnley Borough Council, and note that it will address pollution of the environment by the regular monitoring of the ongoing processes of the cement batching, which will be rigorously enforced.

The Parish Council is also mindful of and understands that nearby residents, may have concerns regarding debris (cement dust), pollution, and extra numbers of vehicles accessing the site.

Yours sincerely,
